António Martins

Web Developer

👋 Hello there! I'm António Martins, a dedicated professional driven by my passion for technology and an unwavering commitment to continuous learning and personal growth.

👓 Drawing from my background as an optician, I've cultivated a keen sense of precision and a meticulous attention to detail. This foundation has uniquely positioned me to thrive in the dynamic realm of web development.

🚀 Over the past year and a half, I have immersed myself in an intensive learning journey, coupled with hands-on practice, to keep pace with the ever-evolving landscape of web technologies. As I embark on this exciting transition into a career as a Web Developer, I am filled with enthusiasm.

🤝 Armed with a robust skill set forged during this transformative journey, I am now actively seeking my inaugural opportunity as a Web Developer. I invite you to connect with me and discover how my diverse expertise can enhance your projects or broaden your network. Together, we can craft digital solutions that truly make a difference.

WORK EXPERIENCE

With more than a decade of experience in optics, I possess extensive knowledge and skills in the field. Beginning as an optical technician, I worked my way up to become an optical store manager in both Portugal and Brazil, and have successfully led teams in renowned multinational companies like Rodenstock and Optovision in Italy. My professional journey has given me a thorough grasp of the dynamics of the optical industry, and I excel in motivating and managing teams to achieve outstanding outcomes.
